

Dear Member,

Thank you for registering your card and availing the *3KPinoyProtek* insurance program! We are thrilled to have you as part of our program and are committed to providing you with essential financial protection and peace of mind.

Your coverage will be active within 24 hours from the time of both registration and receipt of payment. Once activated, you will be fully entitled to the benefits included in your plan, such as personal accident coverage, burial assistance, and emergency support for incidents including fire, dengue, and COVID-19.

Please keep your card handy and/or your digital card and refer to the attached receipt of payment for your records. If you have any questions or need further assistance with your coverage, do not hesitate to contact us.

We appreciate your trust in *Bewiser Philippines* and look forward to supporting you with comprehensive protection whenever you need it.

Thank you once again, and welcome to 3KPinoyProtek!
